ARBITRATION PROVISION: By participating in this Promotion, each consumer agrees that (1) any claim, dispute, or controversy (whether in contract, tort, or otherwise) the consumer may have against VSP Optics arising out of, relating to, or connected in any way with the Promotion, the rebate(s) and/or the determination of the scope or applicability of this agreement to arbitrate, will be resolved exclusively by final and binding arbitration administered by JAMS and conducted before a sole arbitrator in accordance with the rules of JAMS; (2) this arbitration agreement is made pursuant to a transaction involving interstate commerce, and shall be governed by the Federal Arbitration Act ("FAA"), 9 U.S.C. §§ 1-16; (3) the arbitration shall be held in Sacramento, California; (4) the arbitrator's decision shall be controlled by the terms and conditions of these Official Rules and any of the other agreements referenced herein that the applicable consumer may have entered into in connection with the Promotion; (5) the arbitrator shall apply California law consistent with the FAA and applicable statutes of limitations, and shall honor claims of privilege recognized at law; (6) there shall be no authority for any claims to be arbitrated on a class or representative basis, arbitration can decide only the consumer's and/or the VSP Optics individual claims; the arbitrator may not consolidate or join the claims of other persons or parties who may be similarly situated; (7) the arbitrator shall not have the power to award punitive damages against the consumer and VSP Optics; (8) in the event that the administrative fees and deposits that must be paid to initiate arbitration against VSP Optics exceed \$125 USD, and the consumer is unable (or not required under the rules of JAMS) to pay any fees and deposits that exceed this amount, consumer agrees to pay them and/or forward them on the consumer's behalf, subject to ultimate allocation by the arbitrator.
